

If an ineligible player scores a goal or is on the field while a goal is scored and it is discovered before the center pass - do you disallow the goal?

An ineligible player is defined as one who has been disqualified (red card), has not completed a suspension (yellow card) or is an extra player on the field.

IF IT IS DISCOVERED BEFORE THE ENSUING PASSBACK, THE GOAL SHALL BE RECINDED, A FREE HIT AWARDED TO THE DEFENSE AND A CARD ISSUED TO THE OFFENDING PLAYER.
